## Chapter 1 - We can't wait!

Grandpa showed Mack and Ivy his old book about dinosaurs.

“I learnt all about dinosaurs from this book,” he said.

“I love dinosaurs!” said Mack.

“Me, too!” said Ivy.

Grandpa looked on his computer. “There are dinosaurs at the **museum!**” he said. “Would you like to go?”

“Yes, please!” said Ivy.

“I want to meet a dinosaur!” said Mack.

Grandpa bought three tickets for *Meet the Dinosaurs*.
